Te Whare Tapa Whā

Four Cornerstones of Māori Health
Model developed by Sir Mason Durie

What are other ways we can look after our wellbeing when we are online?

Balance our time online with other activities

20 / 20 Rule

Take 20 seconds every 20 mins and look 20 feet away at an object.

Looking after our bodies

Necks, backs and bodies can get tired and sore when we use our devices.

Change position, walk around, sit up, stretch out arms and fingers, necks and shoulders.

Together with Whānau

Talk to whānau about the things you like doing online, what you're learning, games you like to play, and the ways you keep yourself safe online.

Tell an adult you trust or ask for help if you are worried, upset, mad, or someone is doing something that isn't okay, or makes you feel uncomfortable.
